# Time to Shine!

Here at Cheadle Catholic Infant School, our pupils enjoy a rich, creative curriculum with the aim of instilling a lifelong love of learning and the belief that nothing is impossible. We also believe that education is more than what's learnt in a classroom and our experiences outside it are just as valuable.

That's why we've launched our Time to Shine initiative.

From reading amazing stories and ordinance survey maps to pond-dipping and sea swimming, we want every child at Cheadle Catholic Infant School to enrich their learning opportunities beyond the school gates.

*If you are happy to tweet photos of your children we would love to see them
