School Ethos

As a Catholic school we draw our main inspiration from the teaching of Christ and the overall ethos we seek to promote should reflect these teachings.

We want our children to:

'We love because He first loved us.'
1 John 4:19

Our Mission Statement

This Mission Statement is for all in the Cheadle Catholic Infant School Community and is the foundation of the school's purpose.

Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.
We **love** to learn and let our inner light **shine** brightly in all that we do.

School Expectations – Our Golden Rules

- I will be gentle.
- I will be kind and helpful.
- I will be honest.
- I will work hard.
- I will look after property.
- I will listen to people.

These expectations are upheld by the staff and children of our school. To reinforce these expectations, the school has a system of rewards and restorative practices which promote positive conduct and excellent learning behaviour across the school.

- Children follow our Golden Rules and understand the consequences of their actions.
- Staff will model positive behaviour consistently and will manage behaviour in a fair manner.
- The Headteacher and the Senior Leadership Team will implement the school behaviour policy consistently throughout the school, and will report to governors on the effectiveness of the policy. It is also the responsibility of the Headteacher and the SLT to ensure the health, safety and welfare of all children in the school.
- Parents and Carers will support our Behaviour Policy and work in partnership with the school.
- Governors will support and monitor the implementation of our Behaviour Policy and evaluate its impact.

Rewards

In our school we believe all pupils should be encouraged to do their best and their success will be recognised. Most children respond well to praise and encouragement. We will reward good work and behaviour with:

In Class

- Golden Time: 30-40 minutes on a Friday
- Praise- verbal and written
- Stickers
- Class tokens
- Group points
- Headteacher award stickers & badges
- Star of the Week
- Group of the Week
- Extra privileges- giving additional jobs or responsibilities
- Display of good work in classroom and around school

Assemblies

- Children share medals/ certificates and talk about their achievements and interests.
- Birthdays
- Reward tokens for classes with tidy classrooms, for good conduct during assembly and behaviour during wet playtimes.
- Announcement of total number of tokens at end of each half term, leading to a non-uniform day for the winning class.
- Half termly outstanding behaviour awards

On Display

- Wall displays demonstrating work of which children are proud.
- Star of the Week charts in classrooms.

End of Half Term

- Announcing class collecting the highest number of reward tokens.

End of Year

- The announcement of 100% attendance for the academic year.

Other Opportunities to celebrate include:

- Musical productions and concerts- where children can demonstrate their talents

Consequences

At Cheadle Catholic we use consequences, not punishment, to address poor behaviour.

Using Consequences:

- Allows for a growing understanding of cause and effect.
- Remove the label 'bad' or 'naughty child' who needs to be 'punished.'
- Allows the child the opportunity to begin to understand how their behaviour affects others and their surroundings without shame.
- Reduces the child's fear of failure/shame (if done in private and without public humiliation).
- At all times, the emphasis is on making good choices about behaviour. For the vast majority of children, a gentle reminder or nudge in the right direction is all that is required. However, we recognise there may be times when some children make choices which affect the rights of others and disrupt the core values we uphold.

Equity not Equality

"WHY DO THEY GET A DIFFERENT CONSEQUENCE? THAT'S NOT FAIR!"

At Cheadle Catholic, we recognise not everyone starts from the same place and not everyone has the same needs. Therefore, when deciding appropriate consequences it is important to understand the difference between Equality and Equity. Equity is giving everyone what they need to be successful. Equality is treating everyone the same. Our aim is to promote fairness and equality but with an understanding of the child's needs, age, social, emotional or mental health issues. This means some children will require additional support in addressing specific behaviours. In this case, these children will have bespoke positive behaviour plans and consequences which may include rewards to reinforce positive behaviour.

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's SENCO will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

If a child is struggling to follow our golden rules, they are spoken to by their teacher and reminded of what is expected of them. A blend of positive reinforcement and restorative language is used to encourage children to make the right choice.

Restorative approach

When using a restorative approach to deal with instances of inappropriate behaviour, we ensure that children are listened to, treated fairly and a positive resolution is reached. A typical restorative conversation will include the following questions:

- What happened?

- What were you thinking at the time?
- What have you thought since?
- How did this make people feel?
- Who has been affected?
- How have they been affected?
- What should we do to put things right?
- How can we do things differently in the future?

When children struggle to meet their aims and there are instances of inappropriate behaviour, staff use an effective script to guide them back to making positive choices:

Restorative Script

All staff will use 'The Script' to teach children about making good choices. This is a generic verbal communication between staff member and child to allow the child to reflect upon their behaviour in an attempt to deescalate the situation and prevent consequences being issued. (see 'useful phrases' for script ideas)

	Steps	Actions
1	Redirection and gentle reminder	<p>Gentle encouragement, a 'nudge' in the right direction, a small act of kindness. A reminder of our core values delivered privately wherever possible.</p> <p><i>Example: 'I notice you are running. Remember we need to walk to be safe in school. Show me your fantastic walking. Thank you for listening.'</i></p>
2	Caution	<p>A clear verbal caution delivered privately, wherever possible, making the child aware of their behaviour and clearly outlining the consequences if they continue. Refer to previous examples of good behaviour. Use the 30 second scripted intervention (see below)</p> <p><i>Example: 'I have noticed you are not ready to do your work. Remember the rule about being ready to learn. If you choose to continue disrupting the lesson, you will have to catch up with your work at playtime. Do you remember yesterday when you started your work straight away and got it finished? That is what I need to see today. Thank you for listening.'</i></p>
3	Reflection time	<p>A short time in another class/other side of the field/playground. It is a time for the child to calm down, breathe, look at the situation from a different perspective and compose themselves.</p> <p><i>Example: 'I have noticed you chose to use unkind words. Remember our rule about being respectful. You have chosen to go and sit in a quiet area. I will come and speak to you in two minutes. Thank you for listening.'</i></p>
4	Putting things right	<p>If the child continues with the same behaviour after they are expected to spend some or all of their free time (e.g. playtime) with the adult to repair any harm caused. The link between the behaviour and the harm needing repair is made clear. At this stage some of the restorative questions may be used to support the discussion.</p>
5	Time to Talk	<p>A reflective conversation takes place between the adult and the child. The child is encouraged to take responsibility for their behaviour choices, to consider the impact on themselves and others. The restorative questions should be used to frame the discussion.</p> <p>If appropriate, staff to inform parents/carers at the end of the day or as soon as possible and set the expectation the child will make better choices tomorrow.</p>
<p>It is not the severity of the consequence; it is the certainty that follow up will take place which is important.</p>

Physical restraint

In some circumstances, staff (who have received TeamTeach training) may use reasonable force to restrain a pupil to prevent them:

- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Be recorded and reported to parents

Exclusion

A decision to exclude a pupil from our school will only be taken:

- in response to serious breaches of our school's Discipline Policy.
- if allowing the pupil to remain in school would seriously harm the educational welfare of the pupil or others in the school.

The Role of Headteacher (and SLT)

It is the responsibility of the Headteacher and the Senior Leadership Team, to implement the school behaviour policy consistently throughout the school, and to report to governors, annually, on the effectiveness of the policy. It is also the responsibility of the Headteacher and the SLT to ensure the health, safety and welfare of all children in the school.

The Headteacher monitors all serious incidents of misbehaviour. The Headteacher supports the staff by implementing the policy, by setting the standards of behaviour, and by supporting staff in the implementation of the policy.

The Headteacher has the responsibility for giving fixed-term exclusions to individual children for serious acts of misbehaviour. For repeated or very serious acts of anti- social behaviour, the Headteacher may permanently exclude a child. Both these actions are only taken after the appropriate school governors have been notified and in accordance with LA guidelines.

Role of staff

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display a calm and consistent approach
- Use restorative language

Develop a positive relationship with pupils, which may include:

- Greeting pupils in the morning/at the start of lessons
- Modelling positive behaviour
- Establishing clear routines
- Highlighting and promoting good behaviour
- Concluding the day positively and starting each session afresh

- Having a plan for dealing with low-level disruption
- Using positive reinforcement and Rights Respecting language

Role of the Governing Body

The Governing Body has the responsibility of setting the general guidelines on standards of discipline and behaviour, and of reviewing their effectiveness. The Governors support the Headteacher in carrying out these guidelines.

The Headteacher has the day-to-day authority to implement the school behaviour policy, but governors may give advice to the Headteacher about particular disciplinary issues. The Headteacher must take this into account when making decisions about matters of behaviour.
