This term during Forest School, all of the children took part in our 'Cheadle Catholic Infants' Birdwatch'. The children spotted blackbirds, magpies, seagulls, woodpigeons and crows. We are delighted that more trees have been planted to encourage smaller birds to nest and we are leaving out more bird food to attract birds to our many bird boxes. Here is one of the the rspb bird posters if you would like to continue spotting birds in your garden and when you are 'out and about' and there are lots more resources available on the rspb website:

-use one paper towel at the bathroom and help protect our rainforests.

Our children are encouraged not to waste paper towels at the bathroom and our Eco Warriors help to monitor this.

Healthy Living

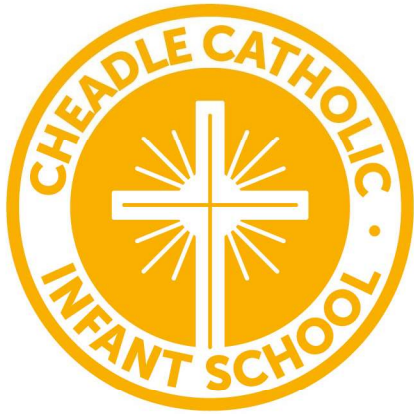

'Walk to School Week' runs from 15th May- 19th May 2023 and the theme is 'Walk with Wildlife'. We hope many children and parents/ carers can join in with this, or maybe 'park and stride', for at least one day. We are all aware of the health benefits of walking to school and the air around our school will be cleaner as a result.

Healthy Snacks

We continue to promote the benefits of healthy snacks and how eating fruit can reduce litter and single use plastics. Free school fruit is always available to the children at break times.

Litter

PIC•COLLAGE

Our Eco Warriors went around the school grounds looking to pick up litter with their litter pickers. Very little litter was found so a big 'well done' to all of the children!

Finally, a big 'thank you' to Mrs. Tetlow and our Eco Warriors for promoting the 'The Big Battery Hunt'. Recycling batteries will reduce landfill and help to reduce harmful chemicals entering our soil and water. We would like to share our 'Going Green' song with you that incorporates this important message:

Wishing you all a wonderful Easter and thank you for all that you do to help our planet,
