CHEADLE CATHOLIC PSA would like to say a huge thank you for the overwhelming support, not to mention generous donations, for the first fundraisers of the year.

Earlier in the term, children in the Infant School completed a Sponsored Circuit of the Smile for a Mile path and raised an incredible £3,050!

The money raised by your sporty children is being used to fund new interactive whiteboards in each classroom. Four have already been replaced with six still to go.

Mrs Glynn, Headteacher of the Infant School, said: "It was wonderful to see the children in their sportswear as they completed a very special Smile for a Mile.

"The support of the Cheadle Catholic community was fantastic. It raised a huge sum that will make a massive difference to every child at our school."

Over in the Junior School, pupils took part in our annual Readathon.

They managed to get their nearest and dearest to pay them to read their favourite stories—which alongside a non-uniform day raised a brilliant

£2,214.96!

Mrs Fender, Headteacher of the Junior School, is extremely proud of every participant.

She said: "The Readathon is one of my favourite fundraisers because it helps children discover the joy of a good book."

She added: "I know a lot of families right now are not in the same position as they were before the pandemic, so to see how much they have backed our fundraising events is amazing."

The build up to Christmas is traditionally the PSA's busiest period but this year, we have had to scale back events.

However, we are holding a Christmas/New Year raffle with cash prizes up for grabs.

PSA Co-Chair Jack Miller said: "We're very excited to launch our special New Year Cash Draw!

"Full details can be found in the accompanying letter, but in short, £2 entry with £1 going to the prize fund and £1 to the PSA fund.

"Enter as many times as you like and you could get a January windfall!"
