

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
NURSERY	The Colour Monster	The Gruffalo	Nursery Rhymes	Traditional Tales	Jasper's Beanstalk	What the ladybird heard
Knowledge and Understanding of the World.	Knowing our similarities and differences.		Looking at changes over time.		Growing –looking after plants & animals.	
HOOK	<p>Discussion of what we need to stay healthy and safe, through our daily routines, hand washing and healthy snacks.</p> <p>Weekly P.E lessons - notice changes that happen in the body.</p> <p>Explore the differences between some animals and us.</p> <p>Look at pictures of themselves as babies and talk about how their needs have changed, discussing families.</p> <p>Use of senses; feeling dough or listening to sounds in the environment, such as sirens or farm animals.</p> <p>Dentist visit- we use this to talk about and show interest in different occupations.</p> <p>Autumn walk- collect materials and explore their similarities and differences.</p>		<p>Winter Walk.</p> <p>Observation and manipulation of objects and materials to identify differences and similarities.</p> <p>Play opportunities in our mud kitchen - access to a range of natural and manmade resources</p> <p>Questions about why things happen and how things work.</p> <p>Use Incy Wincy spider to open up conversations about rain and different geographical water features.</p> <p>Play in our construction area: activities such as increasing the incline of a slope to observe how fast a vehicle travels or opening a mechanical toy to see how it works. We talk about different forces.</p> <p>Questioning and observation during continuous provision in areas like the sand or water tray- looking at floating and sinking.</p> <p>Spring walk- looking at the weather and also investigate shadows.</p>		<p>Growing - Living eggs- Watching chicks develop and the life cycle of a chick.</p> <p>Observations of animals and plants, explain why some things occur and talk about changes.</p> <p>Exploring life cycles by observing butterfly houses and watching chicks hatch.</p> <p>A trip to the farm to explore animals at close quarters.</p> <p>Explore creatures, people, plants and objects in their natural environments.</p> <p>We grow plants and vegetables, exploring what they need to grow.</p> <p>Take photos of seeds that they grow and leave them available for the children to order and revisit independently. Look at the life cycle of a plant.</p> <p>Mini-beast hunt. Look for bugs over the course of a week.</p> <p>Look at life cycle of a butterfly and use words to describe the stages e.g. first it was an egg, then it was a caterpillar, now it is a butterfly.</p> <p>Look at the habitat of minibeasts, how they are different for animals and how our behaviour can change the environment.</p> <p>Melting Experiment.</p> <p>Summer walk- looking at the weather and temperature.</p>	

RECEPTION	All about Me	Seasons/Celebrations	Superheroes	Space	Minibeasts/Growing	India
HOOK	<p>Similarities and differences in relation to family and friends.</p> <p>My body and its body parts.</p> <p>Changes since birth (baby photos).</p> <p>Visit from Ann Jepson- Dental Nurse.</p> <p>Introduction discussion of plants, animals and natural objects.</p> <p>The natural world – explore the world around them.</p> <p>Observe the effects of exercise on their bodies.</p> <p>Learn about healthy diets.</p> <p>Healthy foods – not healthy foods.</p> <p>Talk about some of the things which they have observed in this topic.</p>	<p>Seasons and seasonal change.</p> <p>Describe the world around us.</p> <p>Caring for the environment.</p> <p>Walk to Bruntwood Park – looking at the Season Autumn.</p> <p>The natural world – observation of changes that occur.</p> <p>Explore the natural world around them.</p> <p>Make observations and drawing pictures of plants and animals.</p> <p>Memory boxes- recap on what they have learnt in this topic.</p>	<p>Pushing and pulling forces</p> <p>Talk about why things happen and how they work.</p> <p>Investigate magnets.</p> <p>Exploring technology.</p> <p>Which materials are best for making a boat.</p> <p>Float/sink test.</p> <p>Exploring ways of travel using different parts of the body.</p> <p>Investigate the changes and in the natural world.</p> <p>Winter walk.</p>	<p>Investigate Space- discovering and naming the planets.</p> <p>Look at, learn the names and describe planets.</p> <p>Visit of the Wonder dome- being in Space experience.</p> <p>Children use technology to gain information.</p> <p>Making space rockets and planets.</p> <p>Our planet Earth and the sun.</p> <p>Can we travel into space?</p> <p>Comparison- could we live on the moon? Describe the moon.</p> <p>Look closely at the similarities, differences, patterns and change.</p>	<p>Research Mini beast facts.</p> <p>Mini beast Hunt in the wildlife area and Bruntwood Park.</p> <p>Identifying mini beasts and classifying them in groups.</p> <p>Looking at habitats.</p> <p>Life cycle of a frog.</p> <p>Growing Broad beans and learning how to plant a seed.</p> <p>Identifying what a plant needs to grow.</p> <p>The natural world – careful observation and understanding changes</p> <p>Spring walk- Bruntwood Park.</p>	<p>The natural world – investigate contrasting environments.</p> <p>To know some similarities and differences in contrasting environments, e.g. weather.</p> <p>Questions and finding answers about the world in which we live.</p> <p>Safety when tackling new challenges and managing risks</p> <p>Re-cap on the importance of exercise, eating, sleeping, hygiene and good health.</p> <p>Observing the lifecycle of a Butterfly.</p> <p>Summer sun safety.</p> <p>Summer walk – Bruntwood Park.</p>
Text/Person	<p>Growth, My body, Teeth. Dental nurse.</p>	<p>Bruntwood Park, All the different seasons books.</p>	<p>Super Tato series.</p>	<p>Wonder dome Experience Space books. Scientists- Mae Jemison, Katherine Johnson</p>	<p>Books about plants. Mad about Mini beasts and other non-fiction texts.</p>	<p>Information texts about the world.</p>
Vocab	<p>Healthy/ unhealthy foods. Oral hygiene/teeth. Body/body parts. Baby, toddler, child, adult</p>	<p>Seasons, autumn, winter, spring, summer, weather.</p>	<p>Push pull, materials, magnet, magnetic Float, sink, waterproof, not waterproof.</p>	<p>Moon, stars, orbit, space, sun, planets, Earth.</p>	<p>Grow, stem, leaf, root, soil, sunlight, mini beast lifecycle, change.</p>	<p>Environment, sea, sun, seasons, weather, animals.</p>

YEAR 1	AUTUMN 1 MY BODY AND ITS SENSES TERRIFIC TREES Seasonal changes: Autumn	AUTUMN 2 MATERIALS Seasonal changes: Winter	SPRING 1 POLAR PLACES Seasonal changes: Winter to Autumn	SPRING 2 ON SAFARI (ANIMALS) Seasonal changes: Spring	SUMMER 1 PLANTS WHERE WE LIVE Seasonal changes: Spring to Winter	SUMMER 2 SEASIDE AND SUMMER Seasonal changes: Summer The four seasons
HOOK	<p>A recap to our body parts</p> <p>Labelling body parts</p> <p>What are the 5 senses?</p> <p>How we use our senses?</p> <p>Senses experiment- fruits</p> <p>Parts of a tree</p> <p>Learning the names of common British trees</p> <p>Knowing what deciduous and evergreen means- sorting</p> <p>Explore world around us- observation and notice changes.</p> <p>Seasons overview lesson, How has the season changed from Summer?</p> <p>Seasons – looking at Autumn Senses walk/Autumn Walk to Bruntwood Park</p> <p>Scientist: Linda Brown Buck</p>	<p>Name a selection of materials</p> <p>Materials and matching them to objects</p> <p>Describe simple physical properties of materials</p> <p>Testing materials- absorbent and not absorbent</p> <p>Material experiment – Prediction. What are the best materials for a dog bed?</p> <p>Classify materials by their properties- grouping and sorting</p> <p>Change of seasons – winter – discuss changes in clothes, daylight, trees and weather.</p> <p>Scientist: Chester Greenwood</p>	<p>Research the Polar region</p> <p>Visit from a polar explorer- expedition talk</p> <p>Snow gloves investigation- Which glove is the warmest and waterproof?</p> <p>Explore mammals- Polar animals</p> <p>Identify & name Polar animals that are carnivore, herbivore & omnivore</p> <p>Categorise animals into groups: carnivore, herbivore and omnivore</p> <p>What is Camouflage?</p> <p>Re-cap on Trees</p> <p>Seasons- Winter Winter walk – Bruntwood Park Observation and compare to Autumn</p> <p>Scientists/ Explorers: Robert Scott/ Roald Amundsen</p>	<p>Identify & name a variety of animals including amphibians, reptiles, mammals, birds and their features</p> <p>Describe & compare the structure of a variety of animals</p> <p>Which Birds live in our local area?</p> <p>Conduct a bird watch</p> <p>How are birds different to us?</p> <p>Compare ourselves to minibeasts who are invertebrates</p> <p>Season- Spring</p> <p>Scientist: David Attenborough</p>	<p>Grow sunflowers from seeds</p> <p>What equipment do we need to grow a seed?</p> <p>Sequence of planting</p> <p>Structure of plants</p> <p>Recap what does a plant need to grow healthy?</p> <p>How to plant a seed</p> <p>Plant hunt – Which plants grow in our local area?</p> <p>Identify and name common garden and wild plants</p> <p>Identify and name leaves on trees</p> <p>Spring walk – Bruntwood Park Observation and compare to Winter</p> <p>Scientist: Waangari Maathai</p>	<p>Children become marine biologists</p> <p>Hands on looking at the structure of fish</p> <p>What would you find in a rockpool?</p> <p>Identify seashore animals</p> <p>Reduce, re-use, recycle- looking after our planet</p> <p>Observation- lifecycle of a butterfly – growing a caterpillar Into a butterfly</p> <p>Science week- scientists: Rachel Carson</p> <p>Perform a skittles colour change investigation to observe over time (end of year experiment)</p> <p>Seasons- Summer Summer walk- Seasons Observation and compare to Spring</p> <p>Scientist: Rachel Carson</p>
Text/ Person/Place	<p>Non-fiction texts- Bodies and senses Seasons books, trees Bruntwood Park Linda Brown Buck</p>	<p>Materials- objects and non-fiction books School grounds Chester Greenwood</p>	<p>Polar explorer visitor Explorers(above) Polar animals and Arctic/Antarctic non-fiction texts</p>	<p>Bird watching School grounds Different categories of animals books David Attenborough</p>	<p>Grow sunflowers from seeds, Plants and flower books, Bruntwood Park Waangari Maathai</p>	<p>Seaside animals and fish Summer non fiction texts School grounds Rachel Carson</p>
