

## Love • Respect • Shine

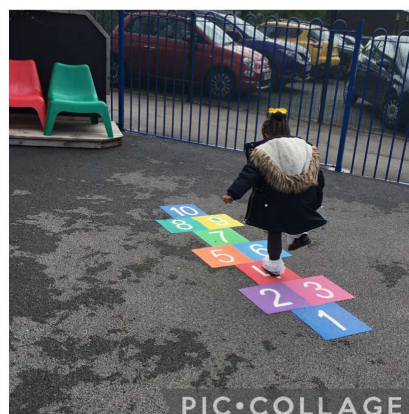

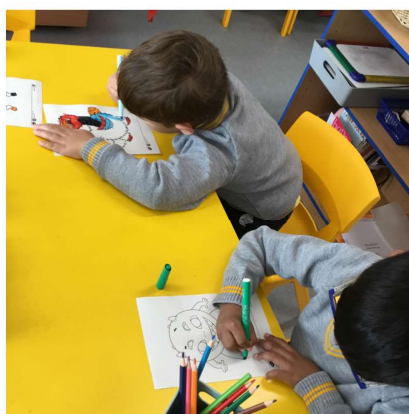

At Cheadle Catholic Infant School we **love** and **respect** each other.  
We **love** to learn and let our inner light **shine** brightly in all that we do.

### Dear Parents/ Carers,

It has been a fantastic first full week of school.

Our Reception and Nursery children have settled in beautifully and we are so excited for the year ahead with them. Our Year 1 and 2 children are already hard at work, demonstrating fantastic enthusiasm and readiness to learn.

Well done everyone!

## Year 1:

We are so proud of how brilliantly the children have settled into their new Year 1 classes, building on everything they learned in Reception. Their familiar foundation in early phonics, counting, and classroom routines has given them wonderful confidence as they adapt to their new learning environment

## Year 2:

A busy and fun filled first week in Year 2! The children have enjoyed taking their learning outside in science to investigate plants and trees and in geography to observe and sketch the weather. In maths the children have been learning about place value and remembering their knowledge from Year 1.

## PARKING:

At Cheadle catholic Schools, the safety and well-being of our children is always our top priority. As a Catholic school community, we ask all parents and carers to reflect our core value of respect—especially during the busy drop-off and collection times.

We have recently received more reports of unsafe parking and aggressive behaviour between drivers and residents outside the school gates. Please ensure you park legally, safely, and considerately, keeping clear of double yellow lines, school zig-zags, and local residents' driveways. Abusive or aggressive conduct toward staff, local residents will be reported to the police.

Thank you for helping us keep the area around our school safe, calm, and respectful for all of our families.

Parents are reminded that parking is available at Bruntwood Park. Parents are reminded to park respectfully and show due consideration to our local residents.

## School Building Fund Update

**Completed & Current Safety Improvements** This year, we are finalising safety upgrades across the school, including updated fire and lockdown alarms alongside new fire doors. We are also awaiting the installation of new electric front gates to ensure a secure environment for our pupils, staff, and wider community.

**Upcoming Projects** Our next planned improvements focus on enhancing the environment and school security:

- Full refurbishment of pupil toilets throughout the school
- New CCTV systems
- Magnetic locks on all external doors

**Why Your Contribution Matters** To fund these essential works, we rely on the annual School Building Fund. The Diocese charges the school a mandatory levy of £15 per pupil—totalling over £ 4,500 annually—which must be paid regardless of whether individual contributions are received.

**How to Pay** You can pay your £15 contribution quickly and securely via **ParentPay** or directly to the **Diocese**. Thank you for your continued support in keeping our school safe, updated, and well-maintained

## A message from our Educational Mental Health Practitioner:

Hello! My name is Olivia. I am the Educational Mental Health Practitioner at Cheadle Catholic Infant School. I am part of the Stockport Mental Health Support Team (MHST) and my role focuses on supporting the mental health and wellbeing of children.

The MHST offer a range of services including, class workshops for pupils around mental health and guidance for staff on supporting mental health and wellbeing. I also work closely with parents and carers, offering advice, workshops, and 1:1 support to help navigate separation anxiety, emotional and behavioural challenges.

I will be hosting a coffee morning **on Tuesday the 22<sup>nd</sup> of September at 9am.**

This will be an informal drop-in session where you can chat about your child's wellbeing, ask questions, or pick up leaflets and signposting information. Parents and carers are welcome to come along for a chat or just to browse resources at your own pace.

## PSA Uniform Swap Shed

Our uniform swap shed is located in the Year 2 playground, please help yourself to uniform, it is in year group boxes. Our aim is to reduce waste and save you money at the same time.

If you would like to donate any school uniform, please pop it into the correct boxes.

The shed is for good quality uniform/PE kit/forest school items, please do not put anything else in there. This week there were three scooters left in the shed, so please use the shed appropriately.

It has been fantastic seeing parents using the shed to pick up and drop off.

## Forest School

It is that time of year again! CONKERS, over the next few weeks on your Autumnal walks please collect as many as you can, children can either bring them to their Forest School sessions or give to their class teachers. There are so many wonderful things with can do with conkers in Forest School so let's see how many we can get!

We are also on the hunt for any toy dinosaurs, small toy animals, cars and fairies. The forest school is continually developing and anything that can further the children's exploration is wonderful!

Thanks as always for the support!  
Mrs Marshall
