

Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.
We **love** to learn and let our inner light **shine** brightly in all that we do.

Dear parents/carers,

This week in Assembly...

Living
Every day
Nearer
To Jesus

We heard about something very special that happened to Jesus while he was on a mountain with three of his friends. His appearance changed as his face and clothes shone like the sun. This also changed the lives of his friends as they realised that Jesus was the Son of God. We thought about how we can change people's lives through our thoughts, words and actions.

The Wonderdome

This week Reception had a visit from the Wonderdome.

They learnt lots of facts about the solar system and even took a trip to the moon. The children are really looking forward to learning more about Space over the next few weeks.

The pay360 link is still open online for any parent who would still like to contribute.

Reading for Pleasure Week:

We have had a wonderful week in school filled with 'reading for pleasure' activities.

At Cheadle Catholic Infant School we acknowledge that one of the most crucial ways of getting children to engage in reading and adopt it as a life long habit is for children to know that it is fun. Therefore, we have chosen to promote 'reading for pleasure' at every given opportunity. Throughout the year, children will be given regular opportunities to develop a love of reading such as; listen to books all the way through without interruption, discover new authors and illustrators, share their own favourite books, share books with their parents, see adults enjoying reading as a pleasurable experience, visit the school library, develop their own sense of what they enjoy in a book, dress up, 'Drop Everything And Read' and make positive associations between reading books and enjoying themselves. In doing so, we are giving the children the clear message that reading is fun, it is for everyone and it is something that they want to do

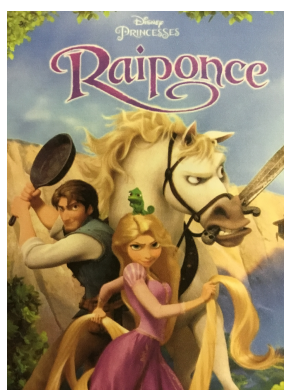

A huge thankyou to Mrs Nelson who is our school librarian and our 'Reading for Pleasure,' champion! She planned a number of events in school this week which has really brought 'reading for pleasure' alive! We have all had so much fun and there has been some wonderful reading spotted around school this week.

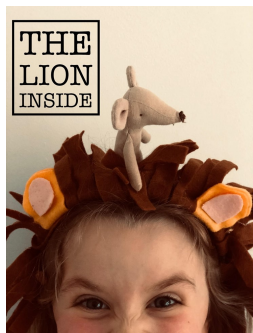

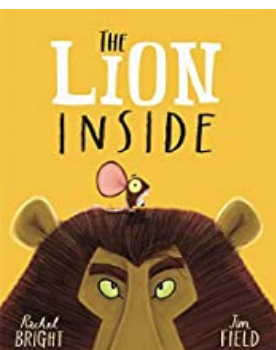

Book Cover Challenge:

During the half term holiday we challenged the children to recreate the front cover of one of their favourite books and we are absolutely delighted with the entries we have received!

All of the entries were shown in our assembly on Monday and can be viewed by clicking on the link below.

We think that your book covers are even better than the originals! Well done children and parents..... you look like you have had so much fun

Reading Café:

Every class visited the reading café on Wednesday. There were a large selection of books to choose from including fiction, non-fiction, picture books, comics and magazines. Ofcourse every café has a drink and a biscuit!

Parent Drop In Session:

We were delighted to welcome parents into school on Wednesday for our 'Reading for Pleasure,' parent drop in session. They spent some time looking at books in our library listening to advice from Mrs Nelson. Please click below to read Mrs Nelson's 'Eight Top Tips To Help You Raise a Reader.'

Masked Reader, Mystery Reader:

Every day this week the children have been entertained by 'The Masked Reader'. Members of staff have recorded videos reading poems aloud and then disguised themselves to see if the children can guess who is reading. The children have been excellent detectives and have really enjoyed listening to poetry.

Throughout the week, each class has had a 'Mystery Reader' coming into their class at the end of the day to read to them at storytime. It's amazing how a small change like this can really add to the fun of a good book. The children were all delighted with their readers so thank you to everyone who joined in.

Book Swap:

This morning was the grand finale to our World Book Week, our annual Cheadle Catholic Infant School book swap. Every child will come home today with a pre-loved book that read. There was lots of variety and everyone came away with something that they were excited to read. There was lots of book chat as children recommended things to each other and talked about the sorts of books they like to read. We hope that they all enjoy spending time reading over this weekend. Many thanks to everyone who sent in a book. All the left over books will be sent to Wood Street Mission to be shared with children in underprivileged parts of Manchester.

Time to Shine:

At Cheadle Catholic Infant School we believe that education is more than what's learnt in a classroom and that our experiences outside it are just as valuable. This is why we value our 'Time to Shine' curriculum and why we have enjoyed sharing and celebrating achievements this week.

Thankyou for your support in making our curriculum so successful we hope that you have enjoyed the activities too.
