

Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.
We **love** to learn and let our inner light **shine** brightly in all that we do.

Dear Parents/ Carers,

This week in Assembly we listened to the Gospel reading about The Ascension.

Jesus returned to Heaven to be with God but before he did that He had some last instructions for his disciples and a last promise for them. Jesus said to the disciples:

"I am with you always; yes, to the end of time."

We reminded ourselves that Jesus is also with us until the end of time. He is with each and every one of us always.

Platinum Jubilee Celebration:

We had a fabulous Jubilee Day on Wednesday!

The children took part in a range of activities including making timelines, handling artefacts, deciding on the qualities of a good monarch, crown designing, soundscapes, writing poetry and making board games!

A huge thankyou to Mrs Martin for coming to work with the children and for sharing her Jubilee artefacts with us.

Year 1 Jubilee Day
We had so much fun
creating a
soundscape for the
coronation day.
Making our own
jubilee plates and
working as a team to
make a timeline of
the Queens Life.

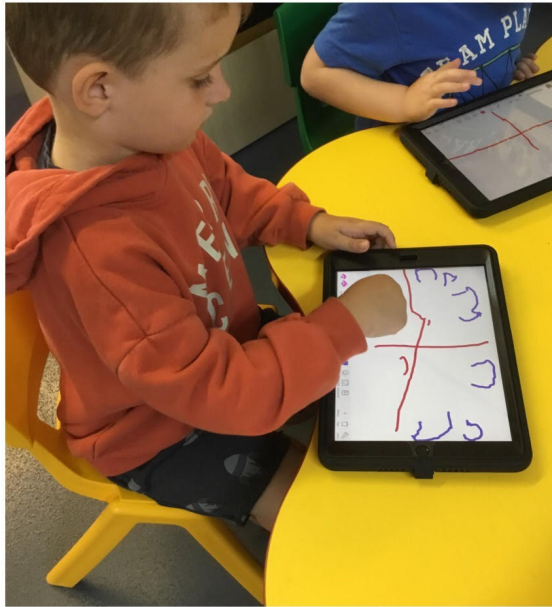

History Learning Day

PIC•COLLAGE

To celebrate the Jubilee this week Nursery had a lovely dance session where they made the journey to Buckingham Palace. They have made Union Jack flags on the iPads inside and with sticks outside. They watched Elsa's coronation and compared this to Queen Elizabeth's and then put pictures of the Queen on a timeline. They also made crowns to wear to the special Jubilee picnic!

Eco Schools:

We are very pleased to tell you that we have been awarded an Eco-Schools Green Flag.

This is the letter we have received:

We reviewed your application and noted the following:

We like the work you have done on your Environmental Review, especially the notes at the bottom. We love that you went litter-picking as part of your Eco-Schools work and even managed to involve the younger children. Litter-picking is fun, impactful, protects wildlife and improves local communities.

Thank you for taking part in the Big School Clean! It's wonderful that your curriculum links expand on the projects in your Action Plan. This means that pupils in your school are given the opportunity to learn about environmental issues before putting their learning into practice and making a difference. We would have loved to see some of the children's work to support this.

Your Eco-Board is a lovely celebration of your Eco-Committee's hard work! Great informing and involving in the newsletter.

We love how your Eco-Code reflects the chosen Topics! We love the Litter Poster Competition to aid Bruntwood Park, we love that your pupils have taken their great work beyond the school gates and into their homes and local community.

This is a very challenging aspect of the Eco-Schools programme, so your Eco-Committee should be very proud of their successes in this area!

Congratulations to everyone at Cheadle Catholic Infant School for the great work you have managed to do, especially throughout the pandemic and lockdown. You should all be very proud of the amazing work you have done and the great application you have submitted.

A huge thankyou to Mrs Burke and our Eco Warriors. You have all worked so hard to gain this award and we are very proud of you all.

Thumbs Up Wednesday

I felt very proud as I wandered around school on Wednesday. Our children are always delighted to share their lovely work with you. I spoke to lots of very proud grandparents and parents too. Thankyou to all of the staff for organising Thumbs Up Wednesday and to all of the parents and grandparents who were able to come today.

If you were unable to come today please don't worry, our next Thumbs Up morning is booked in for **Wednesday July 13th**.

Governor Update:

This week the Teaching & Learning Committee met to discuss progress made and areas of need within our school. At this week's meeting Mrs Lees and I gave the governors a full update on work and activities in school, including the Catholic life of Cheadle Catholic Infant School, current attainment and progress data, Special Educational Needs, health & well-being, and the work currently underway in each area of the curriculum. Our governors were pleased to hear about all the recent developments in school such as our 'Time to Shine' parallel curriculum, Forest School, Thumbs Up Wednesday and the return to whole school assemblies in the hall. The governors enjoy reading our weekly newsletters and would like to thank the school staff for their hard work and commitment to our school and congratulate the children on their wonderful achievements.

Our next Resources Committee meeting is on Tuesday 21st June and our next Full Governing Body meeting is on Tuesday 12th July.

If you would like any more information about our school governors, please take a look at the governor page on our school website.

We would like to welcome Miss Amy Pullar and Mrs Deborah Dodd onto our governing body. Both have recently been appointed as Foundation governors.

Message from Miss McClusky

At Cheadle Catholic Infant School we are always looking for new ways to encourage our children to be physically active. We know lots of the children have wonderful sporting talents and that we have many families who enjoy physical activity together.

Please fill out this questionnaire to help us gain a better understanding of how physically active your child is outside of school

A message from the Rugby League:

Design Rugby League's next mascot

We are on the hunt for a talented young artist to design the mascot that will become the face of this year's three tournaments.

The design should represent all three tournaments, be eye catching and recognisable, fun and friendly, have a great name and backstory and represent the values of the tournament.

The winning designer will receive two tickets to the men and women's finals day at Old Trafford on Saturday 19 November and the chance to take their entire class at school to another tournament match (excluding finals).

They will also get the opportunity to visit the creative studio and see their entry brought to life as the official tournament mascot.

To submit your design, please email mascot@rlwc2021.com or send via post to:

The Mascot Challenge,
RLWC Bonded Warehouse,
18 Lower Byrom Street, Manchester,
M3 4AP.

For postal entries, please include your contact details in the submission.

Competition closes June 1st at 5pm.

Emotional Health Hub

After half term the Emotional Health Hub will be coming into school to talk about emotional health and wellbeing with our Year 2 classes. As part of this, the children will be asked some questions about their feelings and their responses will be pooled together and fed back to school on a class (Vs individual) level.

This pupil voice activity will help us to identify additional areas of need within our classes.

St Ann's Family Fun Session before 5pm Mass on Saturday 28th May

This popular event is taking place once again, from 3.30pm-4.45pm. It's an informal, free session with games, challenges and craft activities, for children at Primary School or Nursery **with their accompanying adults** (i.e. it's for parents as well.) The children will also be prepared to take part in the Mass following the session.

Please keep Mrs Wigfield and her family especially in your prayers.

Thankyou for your support.
