Cheadle Catholic Infant School

23.6.23

Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.
We **love** to learn and let our inner light **shine** brightly in all that we do.

Dear Parents/ Carers,

This week in Assembly we listened to the Gospel reading about the feeding of the five thousand. We discussed the importance of this miracle and the importance of always saying thankyou for what we have.

Thankyou Mrs Lees for leading our Assembly on Monday.

Year 2 Sport's Morning.

The rain held off and we had a brilliant morning!

The children really enjoyed demonstrating their athletic skills today. We were also proud of the support they showed for each other and their great team work.

A huge thankyou to Mr Helsby for organising today for us.

It was wonderful to welcome Year 6 over to help us again. They showed excellent leadership skills and were a joy to have back for the morning.

The Big Leap:

Year 1 had a wonderful morning on Thursday working with Mrs O'Hare and the Year 6 children for "The Big Leap".

All of the Year 6 classes were great motivators sharing with us how to improve our jumping skills. They encouraged us to be determined and resilient.

Super Science!

Mrs Brennan-Sweeney has been delighted to receive so many wonderful science selfies and we look forward to sharing more of these on Monday in Assembly which will mark the beginning of science week in school.

Here is a photo of Ella with her magnetic lab kit. She used the magnets to pull the car along and used a magnet to make a beard from metal shavings. She wrote all about it in her experiment notebook.

instructions anyway !)She bounced the ball on the wooden floor, carpet and sofa and saw it went higher on the wooden floor.

Eva wanted to use her science kit for her science selfie. She made a bouncy ball with polymer crystals using a mould and water (that's what it said in the

Experiment: No leak bag
Lucille inserted sharp pencils into a bag full of water and it didn't leak as the plastic is stretchy and tightens around the plastic

More Science selfies can be viewed on our website:

Science in school this week:

Our caterpillars have arrived! Already they have grown so much. We are looking forward to watching their life cycle over the next couple of weeks.

Year 1 were great 'hands on' scientists this as they used their senses to investigate fish.

**CHEADLE CATHOLIC
PSA SUMMER FAIR**

**23rd June 2023
5.00pm - 7.30pm**

<p>Spin the Wheel Ice Cream Van Bottle Tombola Chocolate Tombola Crafts Bouncy Castle Splat the teacher Penalty Shoot out BBQ Bratwurst</p>	<p>Tuck Shop Guess the buried treasure Pocket money stall Beer/ Prosecco bar Punch Balloons Nails and Tattoos DJ AND MUCH MORE!!!!</p>
---	--

**FUN FOR ALL THE FAMILY!
Support our PSA**

Summer Fair: Friday 23rd June 5-7.30pm

We look forward to seeing you at 5pm tonight! The forecast looks good!

And finally:

Please continue to pray for all those in our school and parish communities who are dealing with illness, loneliness, anxiety and bereavement. May they find comfort in the knowledge that they are in our thoughts and prayers.

**‘Always do what you are afraid to do’
Ralph Waldo Emerson**

Have a lovely weekend

Mrs Glynn
