

## Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.  
We **love** to learn and let our inner light **shine** brightly in all that we do.

Dear Parents/ Carers,

This week we began Science Week in school with a wonderful Assembly led by Mrs Brennan-Sweeney. She reminded us that Science is learning about what we see around us.

Science is learning about why we dream, how we use our senses, how animals, plants and humans grow, the planets & space and much much more! This week we have celebrated everything about Science and we have learnt about this year's theme- connections.

Mrs Anand also came into our Assembly to speak to us about her job as an engineer at British Aerospace. We loved learning all about her job!

Thankyou Mrs Anand for speaking to us on Monday.

This week our Reception children made connections between smells and memories. They used their sense of smell to test scents such as talcum powder, chocolate, popcorn, suncream, mouthwash. As well as identifying the scents they made connections with the memories they triggered.

## Summer Fair:

Last week, the sun came out, the music played and the rain stayed away!. It was an absolute delight to see so many parents and families having fun together, it emphasised the community spirit that is at the heart of our school.

Thank you so much for all of your donations and to those of you came along and especially the parents and staff who volunteered to make the event such a special occasion. Thankyou also to our amazing Irish dancers!! It was lovely to see so many of our talented dancers performing.

We are delighted to announce that the event raised an amazing **£5230**, which far exceeded our expectations and will be put to good use in our school for all our children.

A huge thankyou to our PSA Chairs, Grace and Laura for all of their hard work in organising and co-ordinating the event.

A huge thankyou also to Mr & Mrs Wroe who have supported the PSA for so many years. Their daughter, Erin, is now in year 6 and, therefore, we will be saying farewell to Mr & Mrs Wroe very soon. They have both been instrumental in the development of our Eco Garden and maintaining our outdoor areas. Their hard work will leave a long lasting legacy here at Cheadle Catholic Schools. We thank you for everything you have done for Mr & Mrs Wroe, we will miss you.

## PSA Uniform Swap

Please save all uniform you no longer require which is in good condition.

We will be holding a school uniform event on Friday 14th July in the junior playground after school.

We are looking to re-home any spare uniform you have to re-use those preloved items which still have lots of wear!

Please join us by dropping off uniform as set out below, or by collecting any uniform you need at the event.

At the event we will set out all uniform received in size order for you to collect. A discretionary PSA donation can be made when collecting uniform.

Hopefully you can either pass on uniform or collect some at the event to save some shopping trips over the summer!

### Thumbs Up Wednesday:

On Wednesday we welcomed parents back into school for our last Thumbs Up Wednesday of the year. It was wonderful for our children to show off their learning and achievements this year.

### Eid Al-Adha.

We wish all of our Muslim families a happy and blessed Eid with their families. We have enjoyed learning about your celebrations in school this week.

### PARKING REMINDER:
