

Love • Respect • Shine

At Cheadle Catholic Infant School we **love** and **respect** each other.
We **love** to learn and let our inner light **shine** brightly in all that we do.

Dear Parents/ Carers,

Welcome back to school, I hope that you had a lovely Easter break with your families.

This week in our whole school assembly we talked about Easter Sunday and how Jesus' friends were so overwhelmed and excited when they saw Him again.

We thought about how Easter is a time of joy, celebration and new life. Jesus' resurrection shows us that nothing is impossible to God and this fills us with great hope. We hope that all people will have the chance to live life to the full. We hope that through working together with others we can make the world a fairer, better place for everyone to live.

I asked the children to think about their hope for the world this Easter and how they can make it happen.

For more information about what your child will be learning in RE this half term please click the link below for our half termly RE newsletter.

Crowning of Our Lady

by The Children of St Ann's

Sat 4th May at 5pm Mass

All children are invited to take part in the flower procession and should assemble in the parish room by 4:45pm to line up and collect flowers.

Parish News: St Ann's

On Saturday 4th May at the 5pm Mass two of our young parishioners will perform the May tradition of crowning Our Lady. We would like as many children as possible to take part in the ceremony by joining the flower procession at the start of Mass. Children should assemble in the parish rooms at 4:45pm to line up and receive flowers.

Comfy Reading Day: Thursday 18th April.

On Thursday all of the children had lots of fun building comfy reading dens and reading with their friends. It was so lovely to see the children sharing the books together, talking about what they enjoy reading and reading for pleasure. The reason we had cosy reading day is because next **Tuesday 23rd April** is World Reading Night where children around the country are encouraged to spend an hour reading with their family. We would love as many families as possible to join in with this as we know how social reading with friends and families has a great impact on children's attitudes to reading. We would love it if you could send us a photo of your family 'cosy reading' together!

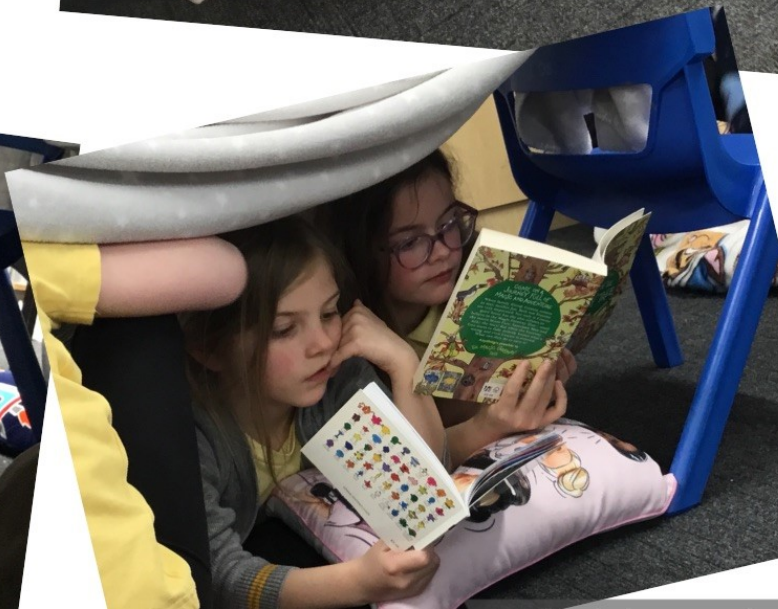

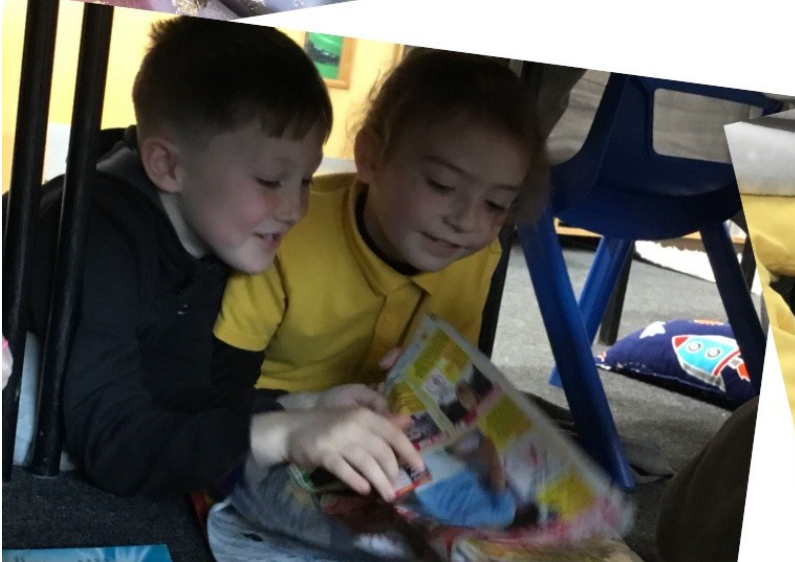

Some parents have asked whether they can help our school library by contributing to the books we stock. We are always trying to keep the books as exciting, up to date and diverse as possible and so with this in mind we have set up an Amazon wish list for anyone who wants to replace a lost or damaged book or would kindly like to donate. Many thanks in advance!

Please click the books below to view our list.

'My Happy Place.'

A huge congratulations to Haylia in Reception who entered some art work into the 'My Happy Place,' art competition organised by John Lewis and Art Battle Manchester. She was one of the winners and her art work is now on display at John Lewis. I am sure you will all agree that it is wonderful! Well done Haylia we are so proud of you.

"My happy place that I painted is Hong Kong. I resided in this city for five years, and I really love it because it holds many happy memories for me."

Birthdays:

We always recognise and celebrate children's birthdays in school and we have our own way of marking these special occasions. We ask that you please do not send in birthday cake or sweets when it is your child's birthday. Instead we ask children to bring in their favourite story to be read to the class or even donate one of our Amazon books to the class library.
