

## Year 2 - Week Beginning 21.11.2022

RE

This week we will discuss the meaning of Advent and we will recognise some signs of symbols of Advent.

We will also listen to the story of the Annunciation.

Maths

This week we will learn how to subtract a 2 digit number from a 2 digit number, crossing ten. We will practise using practical equipment first.

We will also revisit the language of position and movement.

English

This week we will begin a new story 'The Lion and the Unicorn' by Shirley Hughes. We will take part in a drama activity that will help us to empathise with the main character. We will then write a diary extract in the first person.

Guided Reading

This week we will be reading another story about a lion and start to make comparisons with 'The Lion and the Unicorn'.

DT

We will be looking at the designer Louise Mulgrew and finding out about the inspiration behind her greetings cards.

PHSE/RSE

Basic first aid.

We will begin to understand the importance of keeping ourselves and others safe in an emergency, and to know that we call 999 for help.

History

This week's History Workshop will teach the children about air raids, rationing and being evacuated to safety.

PE

During our History Workshop we will be taking part in a 1940's inspired dance session. We will also begin to play real games of dodgeball using the skills we have learnt.
