

# Nursery Spring Term 1 2026

## Nursery Rhymes!

### Our Favourite Three Nursery Rhymes This Term...

We will be learning these Nursery Rhymes and completing different activities relating to these as well as our focussed targets for this half term.

It is believed that if children know 8 Nursery Rhymes by the time they are 4 years old they are usually among the best readers and spellers in their class by the time they are 8. Throughout this term we are going to focus on three Nursery Rhymes with the challenge of learning 3 more at home to share with the rest of the class.
