

Nursery - Autumn 2

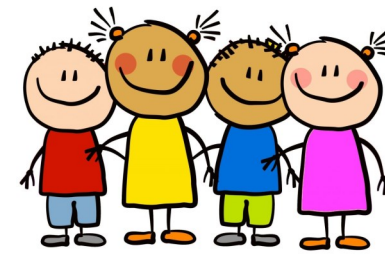

Magical Moments

Magical Moments

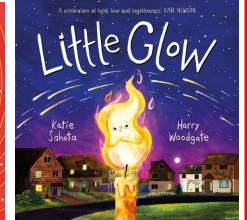

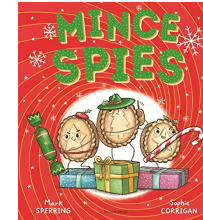

- We will recognise, and describe special times or events with our family.
- We will appreciate celebrations from different cultures and communities (Diwali, Hanukkah)
- We will investigate changes in our natural environment.

Key Skills

- To enjoy listening to longer stories and be able to re-tell these.
Especially our story of the Nativity
- Use tales toolkit to know the character, setting, problem and solution in stories.
- To learn new vocabulary through our stories.
- Having control over our bodies as we move in different ways.
- Hearing environmental sounds and identify rhyming words.
- Clapping syllables in words and hearing initial sounds.
- Comparing amounts of objects using mathematical language.
- To work on our pencil grip when drawing.
- Plan and make a habitat for the animals from the nativity using recycled materials.
- Looking at signs of autumn and winter.
- Remembering and singing new songs.
