The school supports my child's wider personal development	43%	48%	9%	1%	0

Comments about school:

My son is very happy at CCIS, we are delighted with his reading/phonics progress in such a short time.

The teachers and teaching assistants go above and beyond for my little boy! I think it's lovely that Mrs Glynn knows all of the pupils by name, it shows her genuine care for the children. There's a fantastic school/team feel whenever I drop and pick up my child each day

The staff are very motivated and caring. My children are happy here. The school has high standards. It provides a holistic education and develops the whole child.

The variety of activities is fantastic. I love the forest school as does my child.

My child enjoys going to school and is happy at the school. All the teachers and parents are lovely.

My child's reading has really improved in the first half term of school!

Mrs Kemal and Mrs Tetlow are fantastic teachers. They deserve lots of recognition for their hard work. I can already see a difference in my sons learning.

Excellent school with high standards and a caring and nurturing approach
Good school with excellent teaching

I particularly like that the school recognises and rewards non-academic achievement. For children who may struggle in the classroom, I like that they are given their chance to shine in other areas such as the environment, sports and art.

Cheadle Catholic is a wonderful school with Christ at the heart. Thank you so much for all that you do for our children

Thank you to Mrs Glynn and the whole CC team for working hard to make the school as wonderful as it is! My children feel safe and loved at school and enjoy their learning. The phonics scheme has accelerated my child's reading progress since year 1 and my reception child was already reading cvc after 3 weeks in school.

The school provides a broad and exciting curriculum, which teaches children about important topics such as equality and conservation issues. My children's catholic faith is enriched and developed through the teaching they receive and the values that permeate all aspects of school life.

The staff are always happy to answer questions and respond to emails quickly.
The quality of teaching and levels of care in school are amazing! My child is growing in confidence and self-esteem which is helped massively by the ethos and skills of teaching staff. Thank you

My child loves coming to school and this down to how hard the staff work and the general atmosphere around the school. They have made some lovely friends and are doing well with reading and writing. I love the variety of activities that he experiences and the school's commitment to teaching Catholic values and particularly the sports activities.

My child is settled and has enjoyed School so far.

My child has made lots of friends and likes his teachers at Cheadle Catholic.
I am so happy with how much my child has come on with his sound blending, letters, pencil holding since starting reception. I have seen a huge improvement. His teachers, teaching assistants are doing such an amazing job with my son. I couldn't be happier.

I feel that my child is well cared for at Cheadle Catholic Infant School. He is so excited to learn new things at school and his teachers really encourage his enthusiasm.
My daughter absolutely loves being in R2. She is so so happy.

Thankyou for being so wonderful. Aria is absolutely loving school and it's lovely too see!
Simply we love this school as a family.. All teachers are very nice and understanding.
My child has settled in very well

The teaching staff at the school all have a similar approach which is helpful. You have the warm, nurturing, kind ethos running through the school which for us is the most important thing. If our child feels secure and safe they are more likely to engage in learning which we have felt for our older child and now currently. Even with the restraints of covid there was always an emphasis on creative learning and the introduction of the forest school is a fantastic addition.

My children love everything in the school
Such a welcoming and friendly school

Forest school is fantastic. All the teaching staff we have come across go above and beyond. Mrs Glynn is very supportive and understanding. Library is a fantastic resource. Very happy with the school.

All the teachers are lovely and go out of their way to make school enjoyable for the children
A wonderful welcoming and nurturing school

Friendly approachable teaching staff. Harding working too
Very happy with teaching & general ethos of school. Particularly happy that school focus on mental well-being of schools on a par with academic progress. My child is very happy going into & coming out of school. Thank you for all your hard work.

Great communication with parents. Feels like everything a primary school should be.
CCIS has always provided a safe, secure, happy and positive surrounding for my child.
CCIS has been wonderful since my children started. My youngest is now in year two and both children have had a wonderful experience. They have made lovely, life long friends and have been very happy at school and have built lovely, positive relationships with their teachers too.

The staff are more than happy to discuss big or little issues separately and I love that Mrs Glynn is always walking around the playground in the morning so parents can have a quick chat if needs be. Mrs Glynn always says hello and has a friendly smile on her face. She appears to know all children by name, which I think is fantastic.
We are very happy with school

Teachers are amazing and my child is very happy at school. The children are very well nurtured and loved. smile for the mile encourages children to be active and enjoy sport. The forest school is exceptional and a great way for children to enjoy the outdoors and learn new skills.

Cheadle Catholic Infant school has been part of our family since September 2011, and what can I say all of my three children have felt safe, nurtured and cared for during school life. The values have supported my children to grow in confidence and highlighted the importance of their social and emotional development as children need to feel safe and secure as this leads to better outcomes in their education. The headteacher shows strong leadership and great team work at all times. The school shows a happy team and this shows from the feedback my children talk about. I am very happy I chose Cheadle Catholic.

My child absolutely loves coming to school. The school is run really well and the staff clearly care and are dedicated to the children's learning. Thank you!
