

Prospective Parents for Reception 2024

We are delighted you are considering joining Cheadle Catholic Infant School. Cheadle Catholic Infant School is an inclusive school where every child is respected, loved and encouraged to shine in all that they do. We are also a successful school that offers a stimulating environment and high standards of education.

Our end of Key Stage 1 results and end of Key Stage 2 results in reading, writing and maths are significantly above national average.

We ensure that we live out our Mission Statement as a caring Catholic community, in which all members can love, respect and shine in all that they do.

We work in close partnership with parents and our three parishes, recognising the unique nature of each child and celebrating what every individual adds to our school family. Above all else, as stated in our Mission Statement, we want our children to feel loved and, in turn, to love others.

Choosing a school is a big step in a child and parent's life. We believe the best way to decide if our school is the right one for your child is to come and visit us.
