

Reading Rocks!

Everyone, everyday, forever.

As we come to the end of another school year we look back at the happy times we have shared and things we have enjoyed. We are committed to encouraging every child to have a love of reading and have loved watching their enthusiasm grow over the year.

Battle of the Books!

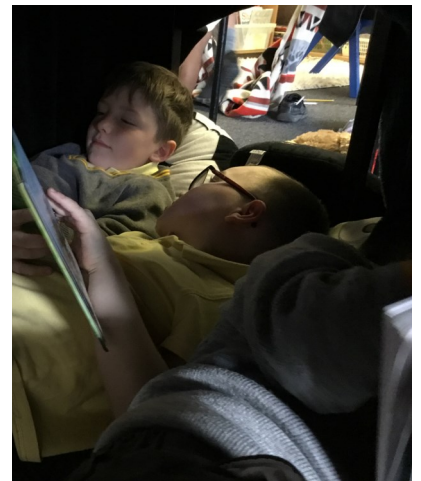

One of our favourite book events of the year is 'The Battle of the Books' where eight books battle it out to be crowned the CCIS Funniest book. The Reading Champions spent a long time coming up with the short list and finding books that made them laugh and would be suitable for all ages from Nursery to Year 2. The final took place this week and the votes are in. Congratulations to **'The Book with no Pictures'**. A huge thank you to all the Reading Champions. We really wouldn't have been able to do it without you and I hope that you have enjoyed organising this special event.

Try it at home: could you ask your child to pick their favourite books and get the family to vote on a

Cosy Reading

We have thought carefully this year about the environment that children read in and how this can make a difference to how much they enjoy reading. With this in mind, we had our first ever 'Cosy Reading Day'. The children came to school and loved making their own little reading dens with friends and curling up with one of their favourite books. We know that children can sometimes be put off reading by finding it quite a solitary activity so by making it sociable and changing the environment it becomes appealing to more children.

Try it at home: have a cosy reading night in the holidays.

Reading Rocks!

Everyone, everyday, forever.

Just a reminder...

If you have any school library books at home, please return them so that they can be enjoyed by other children. If you have lost or misplaced a book, please let us know so that their record can be wiped clean and they can borrow again.

Summer Reading Challenges

Over the summer holidays your local library will once again be hosting the Summer Reading Challenge. This is an excellent, and completely free, activity for children to join in

with. This year it has a sporting theme and children can earn a medal for reading six books from the library. If you are not yet a member, membership is free and there are no late fees for children with overdue books. For more information see the link below

Also keep your eyes peeled for this year's school reading challenge which will be coming home with your children soon.
