

Space

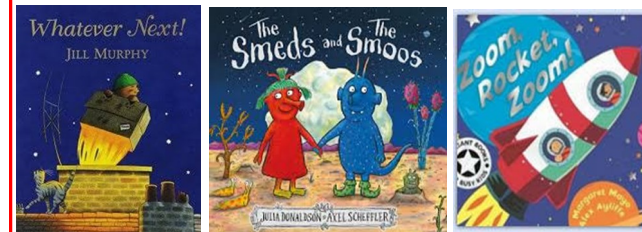

- We will investigate Space and the Solar system
- We will learn the names of the planets and facts about them
- We will talk about why things happen and how they work
- We will use I pads to make fact videos

Key Skills

- Begin to negotiate and solve problems with friends
- Use more complex sentences to connect ideas and explain what is happening.
- To use Tales Toolkit to develop simple story ideas, introducing simple words/captions
- Word building to form simple sentences.
- Continue to develop understanding and use of phonics "special friends" to read and write simple sentences
- Know that information can be retrieved from books and computers.
- Begin to find the total of two groups by counting them
- Order 2 /3 items by length and weight
- To develop composition of 9 and 10
- To consolidate number bonds 1 -10

Stories

The Hook

- Walk to Bruntwood Park (Spring)
- Use of our Wildlife Area
- Visit from the WonderDome

Creative Development

- We will use simple tools with increasing control.
- We will print with different media (marbles)
- We will create models using a variety of materials (boxes, paper plates)
- We will experiment with colour, texture, form and function

Role Play Areas

Shop/Spaceship Headquarters
