

RE/RSE/PSHE

- This week we will use our senses to talk about what things we can see, hear and feel in our outdoor area, which God created for our world.
- How can we care for God's world?

Literacy

- This week we will share a range of non-fiction books about the 5 senses.
- In our phonics sessions this week we will learn to read and write the sounds g, o, c, k
- We will practice our Fred Talk to read simple CVC words.
- Fred games- What's in Fred's bag?
- We will practice our letter formation in sand/glitter.
- Word of the week: work

Mathematics

- We will sing a range of number rhymes and songs.
- We will match quantities to amounts by adding the correct amount of bears to the numbered houses.
- We will make patterns using 2 colours.
- We will make 2 colour peg patterns.
- We will draw amounts of 1, 2 and 3. We will tell Howard the maths monkey how we know we have the correct amount.
- Maths of the day: We will go on a shape hunt in our outdoor area. Can you name the 2D shapes (square, circle, rectangle and triangle) Can you find something the same shape?

Understanding the World

- This week we will learn about the 5 senses.
- We will go on a senses walk in our outdoor area. We will focus on our sense of Smell and hearing. We will draw the things we can see and hear.
- We will use our sense of smell to smell a range of different things. We will talk about the smells we like and don't like. Do the smells remind you of anything?

Physical

- Construction
- Smile for a Mile
- Jump start Johnny
- PE with Ross

Expressive Arts and Design

- Drawing
- Crafts
- Painting
- Making a paper plate face
