

RE/RSE/PSHE

- RSE- We will learn that we all have different likes and dislikes.

Literacy

- This week is World book week. We will take part in a range of activities to celebrate our love of books!
- Writing our Mother's Day cards
- Writing about what we are dressed as for world book day.
- Phonics- reading and writing simple sentences using the sounds we have learnt in our phonics groups.

Mathematics

- We will help Howard the maths monkey to explore if his towers are in the correct order. How do you know? Can you prove it?
- Children will work in pairs to make towers of 7. They will put the tower behind their back and break it into 2 parts. They will show their partner one part, can they guess how many is in the 2nd part?
- We will use the Numicon to find partners to 6 and 7, by making a 6 and 7 sandwich.
- Maths of the day: Children will be in teams. Each team will have a hoop and 7 bean bags. Children will take it in turns to throw the bean bags into the hoop. How many are in the hoop? How many out of the hoop? How many altogether?

World Book Week Activities

- Daily masked reader- can we guess which teacher is reading behind the mask?
- Tuesday- Reading café- we will visit the reading café in the hall- enjoy a book, biscuit and drink.
- Thursday 8.45-9.15am- Drop Everything and Read with parents.
- Mystery reader- each class will get a visit from a Mystery reader.
- Thursday- Dress as your favourite book character or in your pyjamas.

Physical

- Smile for a Mile
- PE with Ross
- Outdoor activities
- Building reading dens- indoors and outdoors
- Fine motor
- Dough disco
- Forest school

Expressive Arts and Design

- Mother's Day/Easter crafts
- Designing our own book marks
- Designing a book front cover
- Drawing our favourite book characters
