

RE/RSE/PSHE

- Assembly with Mrs Glynn
- Year group collective worship.
- This week we will discuss how we can show love to Mary. We will make a Thank you card.

Literacy

- This week our text is 'Betty Buglove saves the bees'.
- Phonics- We will learn to new 'special friends'. We will be reading and writing simple sentences using the sounds we have learnt in our phonics groups.
- We will write facts about bees.
- We will make a 'red' word rainbow.
- We will take part in writing club- focusing on sentence writing and using finger spaces and full stops.

Mathematics

- We will focus on counting beyond 10. We will use number tracks to learn that some numbers are close together e.g. 3 and 4, but some numbers are far apart e.g. 2 and 10.
- We will use our addition skills to add the numbers from 2 dice and find the total. We will then colour the hungry caterpillars food.
- Number games/puzzles

Understanding of the world

- We will learn facts about bees.
- We will learn how important bees are for the environment.
- On Friday we will celebrate 'Endangered species' day. What can we do to help?
- We will learn about minibeast habitats.

Physical

- Smile for a Mile
- PE with Ross
- Outdoor activities
- Den building
- Fine motor
- Dough disco

Expressive Arts and Design

- Making a clay minibeast
- Painting our clay minibeasts
- We will make a cereal box habitat for our minibeast.
- Using our imaginations in our garden centre and garden area roleplay areas.
- Jack and the beanstalk small world play.
