

RE/RSE/PSHE

- Assembly with Mrs Glynn
- Celebration of the word
- Children will hear simple versions of the Pentecost. They will know that the Holy spirit is our friend.
- We will draw pictures of the things that bring us joy.

Literacy

- We will learn new sounds, read and write simple words and sentences in our phonics groups.
- Our text this week is 'The Bug Collector' Alex Griffiths.
- We will make predictions about the character in our book.
- We will order pictures from the story and use them to produce a story map.
- We will write sentences about what we can see in our bug jars.
- Handwriting practice

Mathematics

- This week we will focus on counting to 20 and beyond. Are we remembering our rules for accurate counting of amounts?
- We will go on a 3D shape hunt.
- We will make 3D shapes using lollipop sticks and playdough.
- We will copy symmetrical butterfly wing colour patterns.

Understanding the World

- We will continue to take care of our seeds. We will make sure they have everything they need to grow. We will observe and record any changes to our seeds.
- Map making- What the Ladybird heard, map of the farm.
- We will think about how we can help look after bugs in our environment.
- We will read the story of Betsy Bugslove saves the bees and think about Bee day (Tues 20th)

Physical

- Construction
- Smile for a Mile
- Gross and fine motor skill activities
- Sports morning (Weds 21st)
- Athletics with Mrs Wall
- Forest school

Expressive Arts and Design

- Music
- Painting Minibeasts
- Junk modeling
- Bug portraits
