

Year 2 - Week Beginning 15.4.2024

RE

We will introduce our new topic 'Eastertide'. This week we will listen to and retell the story of the First Easter Sunday and know that as Christians we should celebrate Easter in church.

Maths

We will remember how to double and halve numbers and the link between multiplication and division by 2. We will begin to multiply and divide by 5 and 10.

English

This week we will begin 'Once upon a Dragon's fire' by Beatrice Blue. We will create sentences using adjectives and write our own 'Wanted' poster about the dragon.

PE

We will be working with Mrs Wall using the gymnastics apparatus. We will begin to think about different ways of hanging, swinging, travelling and jumping. In games we will develop basic skills required in team ball games, eg. recognise space, changing direction & speed to avoid collisions, sending & receiving a ball.

Shared Reading

This half term we will be looking at the features of traditional stories and the language they use. We will also be snuggling up and making cosy reading areas in practise for World Book Night on Tuesday 23rd April.

History

This week we will begin our topic on explorers. We will find out about five different explorers and their achievements.

Art/DT

In DT we will begin our work on vehicles by looking at lots of different types of vehicles and their uses.

PHSE/RSE

Similarities/differences

We will work in small groups to discuss similarities and differences in our appearances, passions and talents. We will discuss how we are all unique

Science

We will be designing tents for a lego figure thinking about which materials will be waterproof and windproof.

Computing

We will start our new topic 'Making Music'. We will use 2sequence to create a tune exploring how to speed up and slow down sounds.
