

RE/RSE/PSHE

- Assembly with Mrs Glynn
- Celebration of the word
- We will be looking at photos of inside a Church. We will think about the things we might see in a church and what they are for. E.g. tabernacle, altar, lectern
- We will build models of a Church using construction materials.
- Roleplay using the classroom altar.

Literacy

- We will learn new sounds, read and write simple words and sentences in our phonics groups.
- Our text this week is 'Farmyard hullabaloo'
- We will write about our visit to the farm.
- We will make maps of our classroom and label it.
- Handwriting practice

Mathematics

- This week we will focus on sharing amounts. We will roll a dice collect that number of objects, and share them between ourselves and a friend. Do we have an equal amount?
- Peg board repeating patterns
- First, then and now picture addition stories.
- Cone addition- we will throw 2 bean bags into numbered cones and add the 2 amounts together.

Understanding the World

- This week is National Fieldwork Week- we will go on a sensory map walk. The children will follow a simple map of our outdoor area, at each place on the map the children will record something they see, hear, feel or smell.
- We will make simple maps of our classroom.
- We will use empty town maps to build our own towns using Lego.
- On Tuesday we will learn about a range of different animals on our trip to Smithills farm.

Physical

- Construction
- Smile for a Mile
- Gross and fine motor skill activities
- Multi sports with Ross

Expressive Arts and Design

- Music
- Making animal print patterns
- Farm yard small world play
