

Year 2 - Week Beginning 20.4.26

RE

We will hear about the Ascension and the message Jesus gave to his Apostles. We will remember the events from the Last supper to the Ascension.

Maths

This week we will start to learn about fractions. We will remember how to find a half and a quarter of a shape and an amount.

English

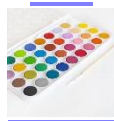

We will create and annotate a map, use DEAL to go on a journey to find the missing dragon and write letters.

Geography

We introduce our enquiry question 'Where in the world is Japan and would it be an exciting place to visit?'. We will use our enquiry triangle of 'I see, I think and I wonder...' to explore some of the different geographical features.

Art

We will make our own polka dot pictures inspired by Yayoi Kusama, experimenting with colour, size and spacing.

PE

PE will be on Thursday and Friday. On Thursday the children will be learning tennis skills. On Friday we will continue our outdoor athletics lessons.

Computing

We will start our new topic 'Coding'. We will understand what an algorithm is and create a computer program using an algorithm.

PSHE/RSE

We will introduce the zones of regulation and how they can help us to manage our feelings.

Science

This week we will explore the word 'habitat' and look at some different habitats around the world, describing the conditions there and making comparisons of the numbers of plants and animals that live in different places.

Shared Reading

We will be reading the next Stockport Children's book award book. We will take part in the online author and illustrator event.
