

Year 2 - Week Beginning 14.9.2026

<u>RE</u>  <u>Creation and Covenant</u> We will look at the Bible and learn about the Old Testament and the New Testament. We will listen to Psalm 139 and write a class prayer.	<u>Maths</u>  This week we will at place value using number lines. We will compare 0-10 and 0-100 number lines, find missing numbers and estimate where given numbers should be.
<u>English</u>  This week continue reading the book 'Dear Teacher' and think about some of the other adventures that Michael might go on. We will write a short letter in the style of Michael.	<u>Shared Reading</u>  We will focus on our prediction skills while we read new text 'Clem and Crab'.
<u>Science</u>  We will be finding out about the life cycle of a dandelion, naming and describing the different stages and creating our own life cycles.	<u>Geography</u>  We will look at weather forecasts and what the different symbols mean. We will then work in pairs to come up with their own mini-weather forecasts.
<u>Computing</u>  We will begin our coding lessons. We will use units of distance along with the direction keys in 2Go to move along a route.	<u>PE</u>  On Thursday we will learn how to be a good leader and invent our own games. Friday will be outdoor PE where we will practise ball skills.

Art

This week we will be exploring different mark making tools to create interesting effects in our paintings, using Alma Thomas' paintings as inspiration.

PSHE/RSE

This week we will focus on self-esteem as part of our learning about emotional wellbeing. We will think about all of the children in our class and their positive attributes. We will celebrate all our gifts!
