

RE/RSE/PSHE

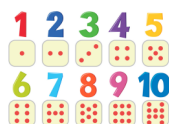

- We will introduce the children to our new topic 'Our Church Family'.
- We will discuss how we belong to the CCIS family.
- We will discuss our own families.
- This week is 'Kindness Week'- we will think about how we can show kindness to others.

Literacy

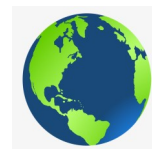

- This week we will look at some non-fiction texts about India.
- Phonics– this week we will learn new 'special friends'- write words and sentences.
- Write some 'I can see' sentences about India.
- We will write facts about animals that live in jungles, deserts or mountains.

Mathematics

- We will continue our work on subtraction. Prove it books– can you prove to Howard the maths monkey if the answers to his number sentences are correct or not. How do you know? Can you prove it?
- We will make a tally chart to show our favourite animals.
- We will be sharing amounts. Is the amount odd or even? How do you know?

Understanding the World

- This week is British Science Week– the theme for this Year is 'Connections'. We will be looking at how we connect different smells to memories or experiences. We will smell a range of different smells and discuss what they remind us of.
- Community connections– Who do we see on our way to school? What jobs do they do?
- We will also have some parent visitors to tell us about the jobs they do in the science field.

Physical

- PE with Ross
- Den building
- Construction
- Smile for a Mile
- Forest school

Expressive Arts and Design

- Making an Indian flag.
