

## Year 2 - Week Beginning 18.9.2023

RE

This week we will hear about how God chose Abraham and that Abraham trusted God to guide him. We will discuss how Abraham and Sarah felt about having to leave their home.

Maths

We will continue to look at place value of numbers within 100. We will be comparing numbers and using the vocabulary greater than, less than and equal to. We will begin to partition numbers in different ways.

English

This week we will continue to look at the book 'Cloudy with a chance of Meatballs' by Judi Barrett. We will be exploring the text through role play and writing about the characters feelings as the weather takes a turn for the worse.

Shared Reading

We will focus on our retrieval and prediction skills while we read the text 'Alba the hundred-year-old fish'.

Science

We will be finding out about the life cycle of a dandelion, naming and describing the different stages and creating our own life cycles.

Geography

We will be learning to use a compass in the playground to find North, South, East and West. We will be thinking about how weather changes throughout the year and how our surroundings change with the seasons.

Computing

We will design an algorithm that follows a timed sequence and understand what different events do in code.

PE

Our PE days are on **Thursday and Friday**. The children will be allowed to wear their PE kits in school on these days.

**Wednesday** will be **outdoor** PE where we will practise ball skills. On **Thursday** we will continue our 'Sports Ambassador' training.

## Art/DT

This week we will be exploring different mark making tools to create interesting effects in our paintings, looking at the texture in Monet's paintings as inspiration.

## PSHE/RSE

This week we will focus on self-esteem as part of our learning about emotional wellbeing. We will think about all of the children in our class and their positive attributes. We will celebrate all our gifts!
