

Year 2 - Week Beginning 20.11.2023

RE

This week we will discuss the meaning of Advent and we will recognise some signs of symbols of Advent.

We will also listen to the story of the Annunciation.

Maths

This week we will continue to practise adding a one-digit number to a digit number, crossing ten. We will practise using practical equipment first. We will also revisit the language of position and movement.

English

This week we will read part of the story 'The Lion and the Unicorn' by Shirley Hughes. We will listen to a descriptive extract and draw what we hear. Then we will write a description of the setting using adjectives.

Shared Reading

This week we will be reading another story about a lion and start to make comparisons with 'The Lion and the Unicorn'.

Geography

Cop 28

We will discuss the effect climate change is having on the world and think about how we can help to prevent this happening. We will make pledges.

PHSE/RSE

We will understand what is meant by 'Responsibility' and understand that we all have a responsibility to make our school a happy, safe place for all.

History

This week's History Workshop will teach the children about air raids, rationing and being evacuated to safety.

PE

In gymnastics we will be travelling in different ways on the apparatus.
In games we will create a points system for a game with thoughts to attacking and defending.

Science

We will talk about a balanced diet and we will gather and record information about our class' favourite snacks.

Computing

We will learn how to search effectively on Purplemash.
We will discuss how this is a safe search and that other search engines may not be as safe.
