

Year 2 - Week Beginning 13.5.24

RE

This week we will listen to the story of Pentecost and discuss the feelings of the Apostles and how the Holy Spirit gave them courage and power to spread the Good News. We are also going to be looking at the symbols used to explain the Holy Spirit.

Maths

This week we will practise telling the time at o'clock, half past, quarter to and quarter past the hour.

English

This week we will continue to read our new class text 'The Barnabus Project' by the Fan brothers. We will write a letter persuading the 'green rubber suits' to set the creatures free.

Shared Reading

This week we will think about some of the books we have been reading and make comparison between them.

Science

In science we will be planning our investigation into microhabitats.

History

How many people did it take to get Neil Armstrong on the moon?
We will be looking at the hidden figures behind the first moon landing.

Computing

This week we will continue with our topic 'Presenting ideas'. We will explore how a story can be presented in different ways.

PE

We will be setting up and putting away the gymnastics apparatus. We will use different ways of hanging, swinging, travelling and jumping and put them into a sequence.
We will practise our athletic skills.

PHSE/RSE

This week we will think about how we grow and change. We will look at different life stages and put them in order.

We will link our learning to the Gospel of St Matthew when Jesus says 'Let the little children come to me'.
