

Year 2 - Week Beginning 11.5.2026

<p style="text-align: center;">RE</p> <p style="text-align: center;"></p> <p style="text-align: center;">This week we will think about the Fruits of the Holy Spirit. The gifts they bring us and how we can live then throughout our lives.</p>	<p style="text-align: center;">Maths</p> <p style="text-align: center;"></p> <p style="text-align: center;">This week we will complete our learning about fractions with some problem solving and reasoning activities.</p>
<p style="text-align: center;">English</p> <p style="text-align: center;"></p> <p style="text-align: center;">We will write a set of instructions about how to take care of a dragon's egg. We will read 'Tell me a dragon' and try to use some new vocabulary in our sentence work.</p>	<p style="text-align: center;">Shared Reading</p> <p style="text-align: center;"></p> <p style="text-align: center;">We will continue to compare texts based on common themes and messages.</p>
<p style="text-align: center;">Science</p> <p style="text-align: center;"></p> <p style="text-align: center;">This week we will explore different microhabitats around our school grounds and identify the different creatures that live in them. We will plan our own woodlice investigation.</p>	<p style="text-align: center;">Geography</p> <p style="text-align: center;"></p> <p style="text-align: center;">This week we will be learning about the physical and human features of Hokkaido in Japan. We will complete the final part of our triarama.</p>
<p style="text-align: center;">Computing</p> <p style="text-align: center;"></p> <p style="text-align: center;">We will learn that different objects have different attributes (properties).</p>	<p style="text-align: center;">PE</p> <p style="text-align: center;"></p> <p style="text-align: center;">PE will be on Thursday and Friday. On Thursday the children will be learning tennis skills. On Friday we will continue our outdoor athletics lessons.</p>

Art

We will be creating pumpkin sculptures in the style of Yayoi Kusama using clay.

PHSE/RSE

We will continue to learn and understand the zones of regulation.
