

## Year 2 - Week Beginning 27.11.2023

RE

This week we will discuss the meaning of Advent and we will recognise some signs and symbols of Advent. The children will write their own Advent promise which we will review weekly.

Maths

This week we will learn how to find ten more and ten less than a 2-digit number. We will also be solving problems involving adding and subtracting tens.

English

This week we will continue to read 'The lion and the Unicorn' by Shirley Hughes. We will practise writing expanded noun phrases and write a 'letter to Mum' in the first person as Lenny.

Shared Reading

We will continue to read 'How to hide a lion' by Helen Stephens. We will discuss how different characters feel when the lion runs away.

Science

This week we will discuss 'drink swapping' and discussing alternative healthy ideas for drinks. We will also be looking at the effect of sugar on enamel and linking this to keeping our teeth clean and healthy.

PHSE/RSE

Basic first aid.

We will know what basic first aid is and discuss times when we have needed it. We will understand the importance of asking an adult for help.

History

This week we will be using different sources to investigate the roles of home front heroes.

PE

We will continue to practise team games and learn strategies to earn points. We will play and share our games with others. In gymnastics we will begin to link travelling actions and balances using apparatus.

## Art/DT

This week in DT we will be testing out different media on brown paper.

## Computing

This week we will continue our new topic 'Online Safety'. We are going to find out e-mails, why they are useful and how to send them. This will lead to a further discussion about being kind online.
