

Year 2 - Week Beginning 16.10.2023

RE

It's the final week of our topic 'The Chosen People'. The children are going to evaluate their new learning. We are also going to discuss how October is the month of the Holy Rosary.

Maths

This week we will begin to look at addition and subtraction. We will practise our number bonds and look at how we can solve problems using related facts.

English

This week we will be looking at the story 'Where's the starfish?' by Barroux. We will be practising our sentence structure and writing narratives.

Computing

This week we will be learning how to debug simple programs.

Internet Safety.

We will think about all of the different devices we have in our homes.

Science

We will review our planting experiment to complete our topic 'Young Gardeners'.

Geography

We will review our learning over the weather topic. We will be making a class video about our learning.

History

This week we will be finding out about Walter Tull's role as a black officer in the army during World War 1.

PE

In games we will be practising all of the skills we have learnt this half term and use them in team games.

We will continue to practise our weather dance and will perform our finished piece.

Art/DT

This week we will be remembering and evaluating all of our learning this half term.

PHSE/RSE

Friday is 'Show Racism the Red Card Day'. We will be wearing something red to school and discussing what we mean by racism and how we can stand up to it.

We will also take part in a 'Speak out, stay safe' workshop with the NSPCC.
